All the things you wanna do
Everything you held on to let it slip away
And today's the day I'm gunna go away away lift it off
my shoulders
And today's the day I'm gunna go away, away, let it slip
away, let it slip away

Why have I waited so long (to give it all away)
Why have I waited so long

And today's the day I'm gunna go away away lift it off
my shoulders
And today's the day I'm gunna go away, away, let it slip
away, let it slip away

Why have I waited so long (to give it all away)
Why have I waited so long
Why have I waited so long (to give it all away)

Why have I waited so long

Let it slip away
All the things you wanna do and everything you held on
to
Let it slip away
Todays the day not tomorrow, but to days the day
Let it slip away let it slip away

I can't take it anymore (I can't take this)
no I can't take this anymore (I can't take it)
I can't take this anymore

Let it slip away (let it slip away)
Let it slip away (All the things you wanna do and
everything you held on to)
Let it slip away (let it slip away)
