I'm gonna hit the open road
Pack my bags and discover the unknown
I need to prove myself
And make it on my own
I'm putting myself on the line
Give it my all this time

Sometimes I fall face first on the ground
Sometimes I crawl
Sometimes my life gets turned all upside down
Sometimes the mountain seems too tall
I'm starting over
Startin' over today

Through the dark I'll persevere
By remembering the ones that I hold dear
My ambition guides my way
I can feel the wind on my back
I'm gonna put myself on the line
Give it my all this time

Sometimes I fall face first on the ground
Sometimes I crawl
Sometimes my life gets turned all upside down
Sometimes the mountain seems too tall
I'm starting over
Startin' over today

All these decisions clouding my mind
You try to stop me, but I'm the stubborn kind
I need danger, risk and a passionate life
So I'm leavin'
Leavin' this town behind

I'm starting over
Startin' over today
Sometimes I fall face first on the ground
Sometimes I crawl
Sometimes my life gets turned all upside down
Sometimes the mountain seems too tall
I'm starting over
Leavin' this town behind

I'm starting over
I can feel the wind on my back

Here's a chance to try again
Here's a chance to do it over
I'm starting over today
I'm starting over
I'm starting over
Today
