Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new (gonna be forever)
Make your move (I wanna be your baby)

I'm fallin' to the ground
Don't know when or where I'll land
I see you without a care
My heart's burnin'
love just ain't fair

Take a chance and come my way
It will be a brighter day
It's easy to believe
You and I are destiny

Chorus:
Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new yeah (gonna be forever)
Make your move (I wanna be your baby)

Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new (gonna be forever)
Make your move (I wanna be your baby)

I feel my head spinnin' round and round
My heart lights up
Whenever you come around
Wish you could feel the same
How long must we play this game

Someone to (all my life gonna)
Gonna be with you (hear me sayin' now)
There's nothin' new yeah (gonna be forever)
Make your move (I wanna be your baby)

Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new (gonna be forever)
Make your move

I can't make you love me
But everything I see points in my direction
My affection needs connection, no exception
I can't understand this crazy attraction
The more you run away
The more I've got to have you baby
Let me have a chance

Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new (gonna be forever)
Make your move

Someone to (all my life)
Gonna be with you (hear me sayin' now)
There's nothin' new yeah (gonna be forever)
Make your move (I wanna be your baby)

Someone to (all my life)
I'm gonna be with you (hear me sayin' now)
There's nothin' new yeah (gonna be forever)
Make your move
