Verse 1:

There's nothing wrong
there's no one left to blame
who's right or wrong?
ride the crazy train

Bridge:

it all comes around
you run yourself down
you playing the pound
ya you're painting the town
what's it all about?
it's all the same..

Chorus:

wondering if I could see ya
you're making such a fool of me
trying hard to believe ya
just make up your mind

Oh oh oh ye-yeah
oh oh oh ya oh oh
I'm gone

Verse 2:

we're all set to win or lose
that's the price you pay for the life you choose

Bridge:

it all comes around
you run yourself down
what's it all about?
it's all the same

Chorus:

wondering if i could see ya
you're making such a fool of me
trying hard to believe ya
just make up your mind

oh
oh oh ya ya

Hmm...hmm...
