One cold tall drink
The boy thinks he's caught me on the line
But he's way too kind
He said what would it take for a guy like me to get
close to you
Plain and simple truth is baby

Take me out
Spend that money
All for me honey til the money's all gone
I'm all about loving me honey
Spend that money til the money's all gone

I like his smile
And it'll buy him just one dance with me
But the rest ain't free
Through his jeans I saw it
Big fat wallet full of cash
This night just might last now baby

Take me out
Spend that money
All for me honey til the money's all gone
I'm all about loving me honey
Spend that money til the money's all gone
Girls might say love ain't about wine and dining
Well the truth is boy
All the girls are lying
You know it's true

Take me out
Spend that money
All for me honey til the money's all gone
I'm all about loving me honey
Spend that money
Til the money's all
Take me out
Spend that money
All for me honey til the money's all gone
I'm all about loving me honey
Spend that money
Til the money's all gone

Til the money's all gone
