1st Verse

Confusing

Well, that about wraps it up

You told me it wasn't love you were feeling

I slammed doors

'Cause I could just kick myself

I need more than a little help getting through this

Chorus

(I'm) (feelin' like)

I'm stranded on the side of the road

Nothin' to show

Nowhere to go

Baby, I've been stranded on the side of life's road

Somebody shake me and wake me

Take me home

2nd Verse

It kills me

That I could'a saved me some time

I pulled a few stars outta line

Just to please you

Well, excuse me

What happened to my common sense

It's like it just hopped the fence

And left me standing

(Repeat Chorus)

Bridge

You always said there'd come a day

You'd find a way to prove the world was blind

But here's my proof you told the truth

'Cause I watched you fall right off the map

(Repeat Chorus Twice)
