When the perfume of light  
is calling to you  
sometimes, a leap of faith  
is all you can do  
love makes us butterflies  
learning, to leave our cocoons

Life has a way  
of making us choose  
between the dream to fly  
and the ground we may lose  
love makes us butterflies  
learning, to leave our cocoons

So, here's to all the love we had  
and all the love we lost  
and all the love we tried and tried  
so hard to figure out

and all the love we gave  
and all the love we took  
and all the love we knew,  
absolutely, nothing about

here's to all the love  
that broke our heart's  
to heal all our wound's

we're all butterflies  
learning to leave our cocoons

lalala lalala lalalala  
lalala lalala lalala lalalalala

You have a way  
of helping me through  
I only hope that  
I do the same for you  
love makes us butterflies  
learning to leave our cocoons

So, here's to all the love we had  
and all the love we lost  
and all the love we tried and tried  
so hard to figure out

and all the love we gave  
and all the love we took  
and all the love we knew,  
absolutely, nothing about

here's to all the love  
that broke our heart's  
to heal all our wound's  
we're all butterflies  
learning, to leave  
we're all butterflies  
learning to leave our cocoons

lalala lalala lalalala  
lalala lalala lalala lalalalala
