Mmm, mmm, mmm, mmm  
Mmm, mmm  
Mmm, mmm

Saw her at the Texaco just the other day  
Even more beautiful, her hair had a touch of gray  
We both stood and stared at each other, couldn't say a  
word  
Then I said, "God, it's good to see you"  
And she said, "Well, have you heard  
They're tearin' down the Cherry Bowl Drive-In tomorrow  
Where I first kissed you and ran my fingers through  
your hair  
She's goin' the way all things must go someday  
But I will still remember you there  
Yes, I will  
I will still remember you there"

Then I said, "Little Melissa  
She's lookin' more and more like you  
Saw her down on Maple Street  
She's even got your same smile too  
And my Jake Jr. says, "Daddy  
Someday I'm gonna marry that girl"  
Isn't that just perfect? Oh, such a crazy world

So they're tearin' down the Cherry Bowl Drive-In  
tomorrow

Where I first kissed you and ran my fingers through  
your hair  
She's goin' the way all things must go someday  
But I will still remember you there  
Yes, I will, yes, I will  
I will still remember you there

"Can you get away tomorrow?  
If you can't, I understand  
It's just that when the big screen falls  
I wanna be holdin' your hand  
Holdin' your hand

When they're tearin' down  
The Cherry Bowl Drive-In tomorrow  
Where I first kissed you and ran my fingers through  
your hair  
She's goin' the way all things must go someday  
But I will still remember you there  
Yes, I will, yes, I will  
I will still remember there"
