

## Joshua Panda "If I Had A Balloon"

Visit "[If I Had A Balloon](#)" on [MotoLyrics.com](https://MotoLyrics.com)

If I had a balloon  
I would give my balloon to you  
If I had a swing  
I would give that swing a push for you  
So you could fly like my balloon  
Fly so high you could kiss the moon  
Darlin' if I had a balloon  
I would give my balloon to you

If I had a song  
I would play that song for you  
If I had a tree  
I would climb that tree and sing for you  
Now I may have a fear of heights  
But I would climb to the top and sing into the night  
Darlin' if I had a song  
I would play that song for you

And be your date to the autumn crawl  
To interpret the art  
We could live on holiday  
If only in our hearts

So if I had a balloon  
I would give my balloon to you  
If I had a swing  
I would give that swing a push for you  
So you could fly like my balloon  
Fly so high you could kiss the moon  
Darlin' if I had a balloon  
I would give my balloon to you  
Darlin' if I had a balloon  
I would give my balloon to you
