This girl's addictive  
This girl is laced  
She's got more soul than amazing grace  
You don't believe me  
Look in her eyes  
There's danger in her hellos  
Bitter sweetest goodbyes

You say oh taiger lily  
Oh taiger lily  
Oh taiger lily oh

Poison apple  
Upside down cake  
Rubix cube  
Don't make a mistake  
She is long like an ivory tower  
Delicate  
But there's a bee in her flower

You say oh taiger lily  
Oh taiger lily  
Oh taiger lily oh

You say peculiar  
I say divine  
But with the lights out  
Either way it's mine  
Water bearer lovely twins  
And on our Ferris wheel  
The spinning never ends  
Ends or begins

She is like Lola or Jezebel  
You can't decide if it's heaven or hell  
She got the boys all tied up in knots  
She's icy cold when she's flaming hot

You say oh taiger lily  
Oh taiger lily  
Oh taiger lily oh

Do you deserve her  
Will you suffice  
Can you play dirty boy can you play nice  
Don't try to touch her she's like the sun  
You think you're winning  
But she's already won

You say oh taiger lily  
Oh taiger lily  
Oh taiger lily oh

You say peculiar  
I say divine  
But with the lights out  
Either way it's mine  
So unearthly jet black eyes  
And when you kiss the girl  
You feel like you can fly  
You can fly  
And with such energy  
Everything just blends  
And on our Ferris wheel  
The spinning never ends  
Ends or begins
