Through of flesh and blood
We hunger for what lays beyond
In a world that lies to love
Still we rest above

It's the art of the heart
It's the power of us
When the night overtakes
When i want to give up

There's a sweet ray of light
Every time that we touch
Love can paint a new picture
It's the art of the heart

Yesterday can cloud my mind
Shawdows make me color blind
But faith will light the darkest skies
With the sunrise of your smile
It's the art of the heart
It's the power of us
When the night overtakes
When i want to give up

There's a sweet ray of light
Every time that we touch
Love can paint a new picture
That's the art of the heart

Uhhhh... uuuuuuhhh..uuuuuhh. uuuuuuuu
Ohhhhhhhh...!!!

There's a sweet ray of light
Every time that we touch
Love can redeem our forgotten dreams
That's the art of the heart

...It's the art of the heart
