Oh oh oh, oh oh oh oh x3

Let me tell you about the way I roam,  
I call the road my home  
So it makes the nights alone without you.  
Though I've travelled a million miles  
You're the only thing that makes me smile  
I think about my baby all the while I'm without you

So so so what I need to know know know  
Is when I get home home home  
Will you still be there

CHORUS

I've been around the way  
Been around but not ok  
Ah whoaaa  
Cos I missed you so  
I'm coming home  
Just to let you know  
That I missed you

Oh oh oh, oh oh oh oh x3

The first time I met her  
I started feeling better  
So I thought I'd let her in  
Now she's my everything  
The reason why I sing  
She turns my winter into spring  
When I'm near her

So so so what I need to know know know  
Is when I get home home home  
Will you still be there

CHORUS

I've been around the way  
Been around but not ok  
Ah whoaaa  
Cos I missed you so

I'm coming home  
Just to let you know  
That I missed you

Every croud I see you face  
I keep looking just incase  
It's all perfect but there's something outta place

Oh oh oh, oh oh oh oh x3

So so so what I need to know know know  
Is when I get home home home  
Will you still be there

#### CHORUS

I've been around the way  
Been around but not ok  
Ah whoaaa  
Cos I missed you so  
I'm coming home  
Just to let you know  
That I missed you

Oh oh oh, oh oh oh oh x3
