Diggin a hole and the walls are caving in  
Behind me,  
Airs gettin thin but I'm trying,  
I'm breathing in,  
Come find me

It hasn't felt like this before  
It hasn't felt like home...before you

And I know it's easy to say, but it's harder to feel this  
way,  
And I miss you more than I should, than I thought I  
could,  
I can't get my mind off of you

I know you're scared that I'll soon be over it,  
That's part of it all,  
Part of the beauty of falling in love with you,  
Is the fear you wont fall

It hasn't felt like this before  
It hasn't felt like home...before you

And I know it's easy to say, but it's harder to feel this  
way  
And I miss you more than I should, than I thought I  
could,  
I can't get my mind off of you

And I hate the phone,  
But I wish you'd call,  
Thought being alone,  
Was better than, was better than...

And I know it's easy to say, but it's harder to feel this  
way  
And I miss you more than I should, than I thought I  
could,  
I can't get my mind off of you.

Can't get my mind off of you
