"Winter"

I should know
Who I am by now
I walk
The record stands somehow
Thinking of winter

Your name is the splinter inside me
While I wait

And I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake
And I don't have to stay this way
If only I would wake

The walk has all been cleared by now
Your voice is all I hear somehow
Calling out Winter

Your voice is the splinter inside me
While I wait

I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake
And I don't have to stay this way
If only I would wake

I could have lost myself
In rough blue waters in your eyes
And I miss you still

I remember the sound
Of your November downtown
And I remember the truth
A warm December with you
But I don't have to make this mistake

And I don't have to stay this way
If only I would wake
