Some kind of magic  
Happens late at night  
When the moon smiles down on me  
And bathes me in it's light

I fell asleep beneath you  
In the tall blades of grass  
When I woke the world was new  
I never had to ask

It's a brand new day  
The sun is shining  
It's a brand new day  
For the first time  
In such a long long time  
I know  
I'll be ok

Most kind of stories  
Save the best part for last  
Most stories have a hero who finds

You make your past your past  
Ya you make your past your past

It's a brand new day  
The sun is shining  
It's a brand new day  
For the first time  
In such a long long time  
I know  
I'll be ok

This cycle never ends  
Gotta fall in order to mend

And it's a brand new day  
It's a brand new day  
For the first time  
Inn such a long long time  
I know  
I'll be ok
