My eye's reflection,  
Windows perfection,  
Look and you'll see,  
The things I can be.

The graves have passed,  
The moments don't last,  
Like your God's of old days,  
That don't see my way,  
What I want today...

Don't look away, if you do then I may,  
No one knows the truth not even you,  
You let your mind show,  
Hate that I've known,  
What I've been living for,  
Don't look away anymore.

Your stare is like a spot on the sun,  
I'm blind but the only one,  
Who knows what to say to you,  
I say it today to you...  
Your stare's like a wave,  
Breakaway,  
From my life in the sand,  
A simple plan,  
What I want today...

Don't look away, if you do then I may,  
No one knows truth not even you,  
You let your mind show,  
Hate that I've known,

What I've been living for,  
Don't look away anymore.

You can't see me now,  
All those games you play,  
I can't know you now,  
I need one more day,  
Cause I want to tell you...  
Don't look away, if you do than I may,

No one knows truth not even you,  
You let your mind show,  
Hate that I've known,  
That I've been there before,  
Don't look away anymore.

Don't look away, if you do then I may,  
No one knows truth not even you,  
You let your mind show,  
Hate that I've known,  
What I've been living for,  
Don't look away anymore.

Don't look away, if you do then i may,  
No one knows truth not even you...  
Not even you,  
Not even you,  
Not even you,  
Not even you.
