You're tryin' to figure out
How to sleep
At night

And this city is casting doubt
Which one of me
Is right?

Who are you
When you're home?

Without a suitcase
Nowhere to roam
If you speak
Do they hear?
And if you laugh
Do they draw near?
And if you cry
Does it show
When you're lost at home

The bed's too still
Where you lay
Your head

You open up your eyes
As the sun
Begins to set

Who are you
When you're home?

Without a suitcase
Nowhere to roam
If you speak
Do they hear?
And if you laugh
Do they draw near?
And if you cry
Does it show

When you're lost at home
