Been stoned, been smoked
Been drunk, been bedded now
We got nowhere to go
We got nowhere else to go
All this time, all we wanna know
Is where are we headed but
We got nowhere to go
We got nowhere else to go

You see, we can be free
If we live in our heads
So let's say let it be
And I won't get left by the wayside
I said I'm gonna turn a blind eye
How you see me
They say that's the key
Oh whoa, yeah
That's how I, that's how I wish I could be

But I need, but I want
So I get something better but
I got a ways to go
I got a ways to go
All this time I've been following life
To the letter, but
That ain't the way to go

That ain't the way to go

You see, we can be free
If we live in our heads
So let's say let it be
And I won't get left by the wayside
I said I'm gonna turn a blind eye
How you see me
They say that's the key
Oh whoa, yeah
That's how I, that's how I wish I could be

But I need, but I want
So I'll get something better but
I got a ways to go

I got a ways to go

You see, we can be free

If we live in our heads

So let's say let it be

And I won't get left by the wayside

I said I'm gonna turn a blind eye

How you see me

They say that's the key

Oh whoa, yeah

That's how I, that's how I wish I could be
