I was just thinking  
It's been a long time  
Since I got to see you  
Tell you, I wish you were mine  
And so I've been sinking  
Into this dark place  
Cause I need to hold you  
Tell you, I'll never be fine  
Unless you come home  
I wish you would come home

So long sunshine  
I've opened my eyes  
Clouds of grey  
Have taken my warm sky  
Away  
Still I know  
Your old rays  
Your old rays

Once  
I thought I saw you  
Wearing those blue jeans  
The ones with the holes  
In the knees  
But I was mistaken  
It was a stranger  
And she flashed me a smile  
As if she could  
Somehow see that I need you  
To come home  
I wish you would come home

So long sunshine  
I've opened my eyes  
Clouds of grey  
Have taken my warm sky  
Away  
Still I know  
Your old rays  
Your old rays

The day broke, it turned us around  
We ended up on the ground  
Suddenly everything changed

So long sunshine  
I've opened my eyes  
Clouds of grey  
Have taken my warm sky  
Away  
Still I know  
Your old rays  
Your old rays
