I should know  
Who I am by now  
I walk  
The record stands somehow  
Thinking of winter

Your name is the splinter inside me  
While I wait

And I remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would wake

The walk has all been cleared by now  
Your voice is all I hear somehow  
Calling out Winter

Your voice is the splinter inside me  
While I wait  
I remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would wake

I could have lost myself  
In rough blue waters in your eyes  
And I miss you still

I remember the sound  
Of your November downtown  
And I remember the truth  
A warm December with you  
But I don't have to make this mistake  
And I don't have to stay this way  
If only I would wake
