Verse 1:

Is there a greater word than perfection
Which was shown through him with every word and deed
Is there a greater knowledge
Than to know that he's with us in times of need
Is there anything we can offer to repay the love and sacrifice he gave
Can we comprehend how many lives and hearts the son of God has changed

Chorus:

We all have times of darkness when we feel we are alone
But He is there
There are times we soak our pillow with tears and feel we are unheard
He hears our prayers

Verse 2

Was there ever a greater teacher
Than the Christ who has spent his life to share the truth
Is there a better message than a pure love and eternal life
Can greater comfort come than to know we can repent and turn to him
Was there a person pure enough to pay the price of all our sins

Chorus:

We all have times of darkness when we feel we are alone
But He is there
There are times we soak our pillow with tears and feel we are unheard
He hears our prayers
We all have times of darkness when we feel we are alone
But He is there
There are times we soak our pillow with tears and feel we are unheard
He hears our prayers

Because He is There (3x)
