If you don't get here
Well, you don't grow up
If you don't have fear
Better pray for luck, cause

I'm full of it
I'll take the hit
All I've got is all I want is all I need

Oh my beating heart
You got me going 'round again
Oh my beating heart
You can't be poundin' in my chest
I know that this is for the best, but
You can't be poundin' in my chest

Sittin' on my rooftop breathin' your name
Praying that my fortune always stays the same
But even if I lose you, who have I to blame
But myself?

I just don't deserve you, this I know is true
But I swear I'll serve you, in everything I do
Even if I lose you, who have I to blame but myself?

I'm full of it
I'll take the hit
All I've got is all I want is all I need

Oh my beating heart
You got me going 'round again
Oh my beating heart
You can't be poundin' in my chest
I know that this is for the best, but
You can't be poundin' in my chest

In just a little while I'll see you again
I'll see your smile hear you laugh again
In just a little while I'll see you again
I'll touch your smile and I'll soak you in

Oh my beating heart

You got me going 'round again
Oh my beating heart
You can't be poundin' in my chest
I know that this is for the best, but
You can't be poundin' in my chest

I know that this is for the best, but
You can't be poundin' in my chest
