I gotta clean up, shouldn't even be up  
Who turned the heat up to hot as hell?  
Well, I couldn't pass up, spent my very last buck  
On a bag of bad luck, can't you tell?

Hey, Ho

I know, I know, I know what I've done  
I was on a roll  
"You were on a roll, son"  
I froze, I froze, buckled in the sun  
I was on a roll  
Yeah, I was on a roll

I know they're waiting for me to change into a brand  
new man...

But I am what I am and that's all that I am  
I shoulda told ya not to get your hopes up  
Again and again, I will till I can't  
So don't get your hopes up, I'm just a f\*ck up  
I hear her screamin' "Who you wanna be, son?"  
Like a voice of reason in my head  
Don't wanna be a rerun "Go and talk to Jesus,  
If he can't heal ya, no one can"

Hey, Ho

I know, I know, I know what I've done  
I was on a roll  
"You were on a roll, son"  
I froze, I froze, buckled in the sun  
I was on a roll  
Yeah, I was on a roll

I know they're waiting for me to change into a brand  
new man...

But I am what I am and that's all that I am  
I shoulda told ya not to get your hopes up  
Again and again, I will till I can't...

So don't get your hopes up  
I'm just a..

I ran out far beneath the flood to see what I had done  
Won't you just give me that gun  
Yeah, I will get it done  
It's only my life that I'm wastin'  
Mama, won't you leave me be?  
I don't need to hear it, no.

Because I am what I am  
And that's all that I am  
I shoulda told ya not to get your hopes up  
Again and again  
I will till I can't  
So don't get your hopes up  
I'm just a f\*ck up
