This cigar. burns a hole straight through my jeans, and  
through your heart.

As i watch the ashes form another scar.

That i will never show but somehow everybody seems  
to know my demons.

In all my efforts i've committed treason.

Chasing dreams that are changing like the seasons.

They make me feel so small but i'm so proud to tell  
them all that

I'm a man now.

I can drive a car.

And i'm a dropout.

I'm nobody so far.

But i don't mess with cigarettes or alcohol.

Cause i'm the best there is.

And they tell me all the winners smoke cigars.

This guitar. is purging melodies that burn inside my  
heart.

As the sound is broken up by passing cars.

They don't know that i'm above.

Or that i'm swimming in the middle of an ocean.

I'm riding on a wave or pure emotion.

I'm drinking up this sea like it's a potion.

Maybe i can mend new wings.

I'll either float or start to sink.

Cause i'm a man now.

I can drive a car.

And i'm a dropout.

I'm nobody so far.

But i don't mess with cigarettes and alcohol.

Cause i'm the best there is.

And they tell me all the winner play guitar.

And i know i've never been the kind to let them get  
inside my mind.

You just got to see that i need them on my side.

I promise not to breathe it in, or ever strum a chord  
again.

Cause it burns my lungs and hurts my tounge to know

that

This cigar burns a hole straight through my jeans  
through your heart.  
As we watch the ashes form another scar.  
That i will never show but somehow everybody seems  
to know my demons.  
In all my efforts i've committed treason.  
Chasing dreams that are changing like the seasons.  
I know that i'm so small but i'm so proud to tell you all  
that

I'm a man now.  
I can drive a car.  
I'm a dropout.  
I'm nobody so far.  
But i don't mess with cigarettes or alcohol.  
Cause i'm the best there is.  
And they tell me all the winners smoke cigars.
