"Come On"

Visit "[Come On](#)" on MotoLyrics.com

I don't wanna be your girlfriend
I'm just looking for a real good time, alright
Can you guarantee me satisfaction?
Need some action, gonna get it tonight

So I'm telling you, boyfriend
That you never met a girl like me before
I'm not gonna wait a long time
Better make up your mind

Are you in? Are you out?
Shake it up, shake it down
Wanna scream, wanna shout
Give it up, get it on or get out

Come on, come on
(Come on, come on)
Come on, come on
(Come on, come on)

Come on, come on
(Come on, come on)
Come on, come on
(Come on, come on)

You know I got my pick
Of any toy, little boy
Replaceable, disposable
Fully action posable

With everything you've said and done
There's plenty more where you came from
Don't just stand there looking dumb
Baby, you're the lucky one

Are you in? Are you out?
Shake it up, shake it down
Wanna scream, wanna shout
Give it up, get it on or get out

Come on, come on
(Come on, come on)

Come on, come on
(Come on, come on)

Come on, come on
(Come on, come on)
Come on, come on
(Come on, come on)

So come on, tell me what you want to do?
So come on, I can't wait around for you
So come on, it's not a mystery

So come on, tell me what you want to do?
So come on, I can't wait around for you
So come on, be with me

Are you in? Are you out?
Shake it up, shake it down
Wanna scream, wanna shout
Give it up, get it on or get out

Come on, come on
(Come on, come on)
Come on, come on
(Come on, come on)

Come on, come on
(Come on, come on)
Come on, come on
(Come on, come on)

Are you in? Are you out?
(Come on, come on)
Shake it up, shake it down
(Come on, come on)

Wanna scream, wanna shout
(Come on, come on)
Give it up or get out
(Come on, come on)

Are you in? Are you out?
(Come on, come on)
Shake it up, shake it down
(Come on, come on)

Wanna scream, wanna shout
(Come on, come on)
Give it up or get out
(Come on, come on)

Are you in? Are you out?
(Come on, come on)
Shake it up, shake it down
(Come on, come on)

Wanna scream, wanna shout
(Come on, come on)
Give it up or get out
