Where were you last night
Don't you think that I won't doubt
You think that is alright
To be alone at night

Do I have to show the door
Or do you know something more
About me
That I don't like about you

CHORUS

Do you have to break my heart?
Do I have to begin right from the start?
Obviously I have to
'Cause I know that you'll break my heart
But please don't make me show the door
Don't break my heart

My feelings hurt
It's 'cuz you just leave your dirt
I can't live for you
But somehow I still do

Do I have to show the door
Or do you know something more
About me
That I don't like about you

CHORUS

Right in front of me
You say that you won't be
The one for me

Chorus 2x
