Inside, outside, upside down.
You've got me goin' round 'n around.
Backwards, forwards, sideways, too.
You've got me dizzy from lovin' you.

Don't you know that I love you,
But I don't know what to do.
You got to me, now why can't you see
I've got to get to you.

Inside, outside, upside down.
Got to get my feet back on the ground.
Baby won't you treat me right.
(Now now now)
Gotta get some a your lovin' tonight.

Don't you know that I love you,
But I don't know what to do.
You got to me, now why can't you see,
I've got to get to you.

Don't you know that I love you,

But I don't know what to do.
You got to me, now why can't you see,
I've got to get to you.

(Come on now)
Don't you know that I love you,
But I don't know what to do.
You got to me, now why can't you see,
I've got to get to you.

(everybody)
Don't you know that I love you,
But I don't know what to do.
You got to me, now why can't you see,
I've got to get to you.
