It don't matter to me
If you really feel that
You need some time to be free.
Time to go off searchin' for yourself.
Hopin' to find time to go to find.

Oh it don't matter to me
If you take up with someone
Who's better than me
'Cause your happiness is all I want
For you to find
(peace)
Your piece of mind

A lot of people have an evil hangup.
'Cause they want to be with everyone

How many can be {?}
It doesn't really matter
Just as long as you've relaxed.

Everybody's movin' on
And tryin' to find out what's been
Missin' in the past

But it don't matter to me
If your searchin' brings you
Back together with me.
'Cause there'll always be an empty room.
Waiting for you.
Open heart
Waiting for you.
Time is on my side.

'Cause it don't matter to me.
It don't matter to me.
It don't matter to me.
It don't matter to me.
It don't matter to me.
'Cause there'll always be an empty room
Waiting for you.
Open heart,

Waiting for you.
Time is on my side
'Cause it don't matter to me.
