I've seen your face.
I've heard your voice before.
I know I've heard those same old lies before.
The rainbow that you paint, I've chased before.
But now I know I just can't chase you anymore.

Lie, lie, lie.
You told me
Lie, lie, lie.
You sold me.
Lie, lie, lie.
Gonna Live without Your Love.

The day we met
you swept me off my feet.
You were the boy
I always dreamed I'd meet.
But when I finally found my head again
I saw you as you really are, my friend.

Lie, lie, lie.
Don't hear you.
You lie, lie, lie.
I don't need you.
Lie, lie, lie.

I've got to be goin'.

Baby babe,
Watch me walk away.
Baby babe,
You just talk away.
Baby Babe,
No more cryin' now.
And No more lyin' to me.

Lie, lie, lie.
I can't hear you.
Lie, lie, lie.
I said I don't need you.
Lie, lie, lie.
I don't need you.

lie, lie, lie,

fade
