Shapelifter  
Josie And The Pussycats  
(Josie And The Pussycats)

You could say everything's no good  
Causes you'll just say what everyone else would  
You could say that the sky is blue  
Cause I wonder who would ever not believe you  
Should've said this for so long  
Said So long

Shape shifter  
Guest lister  
Big faker she'll turn around you'll desert her  
Gate crasher  
Re-hasher  
If you think that's cool whatever dude

You could say what she wants to hear  
Cause its her car  
But she lets the bumps steer  
You could say that it fixes in  
But I don't believe it not for a minute  
Cause you like all the same songs  
But your all wrong your just all wrong

Shape shifter  
Guest lister  
Big faker she'll turn around you'll desert her  
Gate crasher  
Re-hasher  
If you think that's cool whatever dude

Boys Like you don't cast a dime  
You could say the fine fine fine  
But you know just as well as I  
That's a lie lie lie lie

Gate crasher  
Re-hasher  
Big faker she'll turn around you'll trash her

Shape shifter  
Guest lister  
If you think that's cool  
Shape shifter  
Guest lister  
Big faker she'll turn around you'll desert her  
Gate crasher  
Re-hasher  
If you think that's cool  
Whatever dude  
Whatever dude  
Whatever dude  
Whatever
