Na na na
Na na na na
Na na na
Na na na na
Na na na, na na na
Yeah
1,2
1, 2, 3, 4

Spin around
Come back home
You're running out on a line
Sometimes feel I'm
Going outta my mind
Stunned here waiting
For anyone to take the time
Spin around
We get further and further away
Smile and wave
Ain't got nothing to say
Stunned here, waiting for anyone
To take the time
To change my mind, this time

Well I've been staring at
The sun for some time
It gets dark inside
But I don't mind
And if you're gone it's
Like I'm going blind
I can't get by this time

Spin around, jump back
Take another look at yourself
You've been hiding
All along on a shelf
Frozen, waiting for
Anyone to change your mind
Spin around, come down now
'Cause it's all getting clear
Everything you ever wanted is here
You never needed anyone

To change your mind
Don't waste our time
We're fine

Well I've been staring at
The sun for some time
It gets dark inside
But I don't mind
And if you're gone it's
Like I'm going blind
I can't get by this time

Na na na
Na na na na
Na na na
Na na na na
Na na na, na na na
Yeah

Na na na
Na na na na
Na na na
Na na na na
Na na na, na na na
Yeah

Spin around and around
And around and around
Never wanna come back down
'Cause everything
You've lost I've found
Yeah

Spin around and around
And around and around
Never wanna come back down
'Cause everything
You've lost I've found
Yeah

Spin around and around and ah
Spin around and around and ah
Spin around and around and ah
Yeah yeah yeah yeah yeah yeah
