This is the place where I sit  
This is the part where I love you too much  
Is this as hard as it gets?  
'Cause I'm getting tired of pretending I'm tough

I'm here if you want me  
I'm yours, you can hold me  
I'm empty and taken  
And tumbling and breakin'

'Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would  
The way I know you could

I dream a world where you understand  
But I dream a million sleepless nights  
I dream of fire when you're touching my hand  
But it twists into smoke when I turn on the lights

I'm speechless and faded  
It's too complicated  
Is this how the book ends  
Nothing but good friends?

'Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would  
The way I wish you would

This is the place in my heart  
This is the place where I'm falling apart  
Isn't this just where we met?  
And is this the last chance that I'll ever get?

I wish I was lonely  
Instead of just only  
Crystal and see-through  
And not enough to you

'Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would

'Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would  
The way I know you could
