At last my love has come along
My lonely days are over and life is like a song
At last the skies above are blue
My heart was wrapped up in clover
The night I looked at you

I found a dream, that I could speak to
A dream that I, can call my own
I found a thrill, to press my cheek to
A thrill that I, have never known

Oh, yeah, you smiled, you smiled
And then the spell was cast
And here we are in heaven
For you are mine at last

I found a dream that I could speak to
A dream that I can call my own
I found a thrill, to press my cheek to
A thrill that I, have never known

You smiled you smiled
And then the spell was cast
And here we are in heaven for you are mine
At last, at last, at last
