Baby, baby, baby  
Tell me do you really love me  
Baby, baby, baby  
Will you always be there for me

I can't live without your lovin'  
Baby can't you see  
Baby, baby, baby  
Tell me do you love me now

I can't wait to see your face everyday  
I can't explain the way I feel when I'm around you  
There's a space in my heart that belongs to you only  
And no one else in this world comes close to you

Do you understand what I'm saying  
Well, do you understand me  
Got a thing for you and I'm not playing  
It's something I need to know

Baby, baby, baby  
Tell me do you really love me  
Baby, baby, baby  
Will you always be there for me

I can't live without your lovin'  
Baby can't you see  
Baby, baby, baby  
Tell me do you love me now, oh  
Tell me do you love me now, oh

I can't imagine how my life would be without you  
I don't know if I'd survive another day  
No pressure but I'd love to keep you safely  
Promise me it's real and that you would never fake it,  
my

Do you understand what I'm saying  
Do you understand me  
Got a thing for you and I'm not playing  
I'm not playing, I'm not playing

Baby, baby, baby  
Tell me do you really love me  
Baby, baby, baby  
Will you always be there for me

I can't live without your lovin'  
Baby can't you see  
Baby, baby, baby  
Tell me do you love me now, oh  
Tell me do you love me now

Love me baby, love me baby  
And nothing else don't matter  
Your love is all I'm after  
Ooh, I need to have ya

Oh, I don't need no other man  
You're the one my heart demands  
I'm your girl, you're my world  
Please don't let me down

Don't let me down  
Tell me do you really love me  
Ooh, baby, baby, baby  
Will you always be there for me

I can't live without your loving  
Baby can't you see, oh  
Baby, baby, baby  
Tell me do you love me now

Baby, baby, baby  
Tell me do you really love me  
Baby, baby, baby  
Will you always be there for me

See I can't live without your lovin'  
Baby can't you see  
But baby, baby, baby, baby  
Tell me do you love me now

Tell me do you love me now  
Tell me do you love me now  
Tell me do you love me now  
Tell me do you love me now

Tell me do you love me now  
Tell me do you love me now  
Tell me do you love me now  
Tell me do you love me now

Gotta let me know that you love me so  
Tell me do you love me now  
Gotta let me know  
Tell me do you love me now  
That you love me so  
Gotta let me know that you love me so
