Uh ohhh yeah yeah yeah yeah

I'm falling in love with you,  
Please tell me, tell me what else was left to do ooh,  
When feeling lips like yours,  
And looking into eyes like yours,

Ohh i might aswell face it coz it's true,  
Yes, i've fallen in love with you, Oooh

Oh oh my beating heart wants you,  
And my empty arms needs you,  
Don't you go, please stay,  
And never try to send me away,

I've fallen in love with you  
(Oh baby, please stay)  
I've fallen in love with you  
(My darling, yeah yeah)

I've fallen in love with you,  
And you've just got to feel the same way too,  
When you embraced me last night,  
Oh Lord knows it was pure such pure delight,

Oh oh my beating heart wants you,  
And my empty arms needs you,  
Don't you go, please stay,  
And never try to send me away,

Oh yes my love, Ohh yes my love, My darling yeah yeah

I've fallen in love with you  
(Oh baby yeah yeah yeah yeah)  
I've fallen in love with you

I've fallen, so deep in love you see  
Until you become the very sould of me,  
Oh Let me tell you something, I don't care who knows,  
Anyway all over, hey hey, all over my face it shows,

And my empty arms needs you,  
Don't you go, please stay,  
And never try to send me away,

My beating heart wants you,  
And my empty arms needs you,  
Don't you go, please stay,  
And never try to send me away,

I've fallen in love with you
