I can think of younger days when living for my life
Was everything a man could want to do
I could never see tomorrow (tomorrow)
But I was never told about the sorrow

Oooh, yeah
And how can you mend a broken heart?
How can you stop the rain from falling down?
Tell me, how can you stop the sun from shining?
What makes the world go round?

How can you mend this broken man?
(This broken man)
How can a loser ever win?
(How can a loser ever win?)
Somebody, help me please
Please help me mend my broken heart
(Help me mend my)
And let me live again
(Let him live again)

La la la la, hmm

How can you mend a this broken man, ooh?
How can you stop the rain from falling down?
How can you stop the sun from shining out on him?
Tell me what makes the world go round and round

I can still feel the breeze that rustles through the trees
And misty memories of days gone by
But we could never see tomorrow (tomorrow)
And can you believe that
No one, no one ever told us about the sorrow, so?
It's just not right, it's just not right

And how can you mend a broken heart?
(Tell me how to fix this man)
How can you stop the rain from falling down?
Hmm
How can you stop the sun from shining?
How can you stop the rain from falling down?
What makes the world go round?

(The world go around)

La, la, la, la, la, la, la, la

Tell me, tell me
My broken heart
I just wanna, I just wanna, I just wanna?
You wanna, so you're gonna?
You're gonna, you're gonna
I just wanna, I just wanna

How can you mend this broken man?
(How can you mend this broken man,
I just wanna know)
I wanna help you out
How can a loser ever win?
Maybe a little kiss? Maybe a little hug?
Just a little loving for you now
Please help me mend my broken heart and let me live
again
I'll help you, baby, just let me help you
Help me mend it
Let me kiss you better, love
Let me love you better, love
I feel like I'm gonna?

And how can you mend this broken heart?
(Somebody please help me)
How can you stop the rain from falling down?
(Lord, Lord, help me please)
(Hold on! Tell me)
Oh, just help me mend my
Please help me mend my broken heart
I got the feeling that I want to live
Live and live
(La la la la la la la la la la)

I asked the same
What else to do?
La la la la la
Just a little
La la la la la
