Bet you think that I don't love you, baby
Bet you think that I...
I don't care
But I wanna tell you
Well, you got something
And I'm loving you with all my heart
I don't ever wanna part

'Cause I don't wanna be with nobody but you (No no)
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man
Come on and rock me
Rock me in your arms like I know you can

Don't you know that you can call on me, baby
All you gotta do is say you will
'Cause I'm ready just to love you
And put an end to all your doubts
I know we can work it out

'Cause I don't wanna be with nobody but you (No no)
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man (yes, I do)
Come on and rock me
Rock me in your arms like I know you can

Man, I love you
So, put an end to your fantasy,
or you just might...
You just might blow it all
Get yourself together
and baby, when you do
You're gonna see (you're gonna see) that I'll be true to
you

'Cause I don't wanna be with nobody but you
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man
Come on and rock me

Rock me in your arms because I know you can
Rock me in your arms because I know you can
Come on and rock me
I don't wanna be with no man but you
'Cause I don't wanna be with nobody but you
'Cause I don't wanna be with no-one but you

Said I wanna be wrapped
in the arms of my loving man
Come on and rock
Wrapped in your arms because I know you can
I don't wanna be with nobody but you
I don't wanna be
With nobody but you
With no-one but you
No other man
You...
Is all about you
Just wrapped in your arms
Wrapped in your arms
Because I know you can
Why don't you wrapped me?
Wrapped in you arms
Because I know you want to
Come on and hold me
Wrapped and hold on baby
Come on and love me
Come on and love me
Wrapped in your arms
Because I know you can
Wrapped in your arms
Because I know you want to
