I had a dream last night  
what a lovely dream it was  
i dreamed we all were alright  
happy in a land of ours  
why did everybody laugh  
when i told them my dream  
i guess they all were so far  
from that kind of scene  
feelin real mean

i heard a song last night  
what a lovely song it was  
i thought i'd hum it all night  
unforgettable because  
all of the players were playing together  
and all of the happies were as light as a feather  
see your love remember is a feeling of sorrow  
but as i recall all the rest will just follow

i had a dream last night  
what a lovely dream it was  
i dreamed we all were alright  
happy in a land of ours  
what a lovely dream it was  
what a lovely dream it was  
what a lovely dream it was
