Money can't buy me love  
I need a lil something higher  
Just because I smile  
Don't get it so confuse  
Now ya see Kanye got it wrong  
Girls need no diamonds  
All we need is a love  
We can't refuse

I don't see you  
Standing here in my dream (??)  
Maybe like Aretha  
Said you should think  
It ain't hard to work it out  
But right now  
I'm letting you know that

If you see me  
Walking down the street  
Just walk on by  
Walk on by  
'Coz clearly  
You can't prove  
Your love to me  
Just walk on by  
Walk on by

Mama says love's free  
Papa says free means nothin'  
I don't think you understand  
A women's worth  
Yes, you keep on calling at me  
Saying you wanna love me, touch me  
Do you ever think  
I never heard these words before?

I don't see you  
Standing here in my dream (??)  
Maybe like Aretha  
Said you should think  
When are you gonna work I out?  
Don't do it too late because (?)

If you see me  
Walking down the street  
Just walk on by  
Walk on by  
'Coz clearly  
You can't prove  
Your love to me  
Just walk on by  
Walk on by

I don't see you  
Standing here in my dream (??)  
Maybe like Aretha  
Said you should think  
When are you gonna work I out?  
Don't do it too late because (?)

If you see me  
Walking down the street  
Just walk on by  
Walk on by  
'Coz clearly

Your love to me  
Just walk on by
