Oh yeah, yeah  
If I was just a little bit stronger baby  
Could've made it last a little bit longer maybe  
Could've made it on my own  
I should've just let you go  
I should've been a little bit stronger baby

If I was just a little bit sweeter baby  
I know, I know, I know  
I wouldn't be here alone  
Thank God im a little bit needy baby

#### **CHORUS**

I am what I am  
You did what you did  
I'm glad I'm not a sinner baby  
Cuz here's the twist  
You are what you are  
I saw what I saw  
Karma's your master  
And you're the bitch

You could've tried a little bit harder baby  
You could've been a little smarter baby  
I tried not to see when you were on and off of me  
You could've tried a little bit harder baby

#### **CHORUS**

I am what I am  
You did what you did  
I'm glad I'm not a sinner baby  
Cuz here's the twist  
You are what you are  
I saw what I saw  
Karma's your master  
And you're the bitch  
Yes you are

Now I got a loaded gun now baby  
Gonna love to watch you run like a lady  
And cry like a baby

Just like I did when you have gone

See I, I should have been a little bit stronger  
I should have been a little bit harder  
Should have been a little bit tougher  
Should have been a little bit smarter  
Should have been a little bit rougher  
Should have been a little bit stronger  
Should have been a little bit faster  
Away from you baby  
Away from you

I made it on my own  
Now the feeling's gone  
It's so gone
