"Killing Time"

Visit "[Killing Time](#)" on MotoLyrics.com

Maybe life, is better off this way
But what about the others, who aren't, here today
We struggle with the tide, fallin' with our heart
But then in my mind, no point in killin' time

You better
Stop what you're doing, before
You do it all wrong again

You better
Stop what you're doing, before
You do it all wrong again

Hoo
I have tried, to put it from my mind
To bury all the troubles, that I left behind
But still I can't explain, the words I just can't find
And I can't understand it, ain't nothing gonna change
my mind

You better
Stop what you're doing, before
You do it all wrong again
(You'll have to get it right this time)

Say you better
Stop what you're doing, before
You do it all wrong again
(You'll have to get it right this time)
Ooh aha

I know I may be young and know nothing of this world,
mm, mm
(Hoo huu)
(Hoo huu)
Oh Lord, it's been long in its coming, oh
(Hoo huu)
I don't care if my words sound absurd
(This play won't play this time)

You better
Stop what you're doing, before

You do it all wrong
(Again)
You do it all wrong again
(You'll have to get it right this time)
Stop what you're doing, ooo yeah

You better
Stop what you're doing, before
You do it all wrong
(Again)
You do it all wrong again, ooo yeah
(You'll have to get it right this time)
You do it all wrong again, ooo yeah

Can't get it out of my mind
Can't you see that, I'm not blind
I can see what you're doin'
Stop what you're doin'

What will it take, for you to
Recognize your mistake, boy?
Hmm, I was, countin' on you
But now I know you're just a first class fool

(Stop what you're doing)
You're just a, you're just a first class fool, ooo yeah
(Before, you'll do it all wrong again)

Stop what you're doing boy
Before, you'll do it all wrong again
(Stop what you're doing)
I'll know you'll do it all wrong again
(Before, you'll do it all wrong again)
Don't try to solve what you do with me
(Get it right this time)
First class fool, first class fool, ooo yeah

(Stop what you're doing)
(Before, you'll do it all wrong again)
(You'll have to get it right this time)
Before it gets all out of hand
