CHORUS:

I hold my cause close to my chest
I had my heart put to the test
Nah nah nah nah
nah hell nah
I don't want be in love

left me in the dark confused because
you moved the mark
i don't know how far you go
is this the start

will this episode explode
to the light of love i dont know
is this the door that will never close
like its done before
a thousand time

CHORUS:

I hold my cause close to my chest
I had my heart put to the test
Nah nah nah nah
nah hell nah
I don't want be in love

If you asked me this a year ago
To lay down by your side, I'd run a mile
Being close was impossible, had too much to lose
Just the thought of letting go, I'll never know
But you keep pushing on, pushing on

CHORUS:

I hold my cause close to my chest
I had my heart put to the test
Nah nah nah nah
nah hell nah

BRIDGE:

I don't want be in love
don't want be in love
in love

i don't dont want to be in love
don't make me baby
don't make
don't make me be in love

I hold me cards close to my chest
i had my heart put to the test
nah nah nah nah
hell no

i don't want to be
i really dont want to be in love
don't make me be
take it back baby
I don't want to be
I don't need to be in love
hear me baby
i don't want to be in love,no,no
I don't want to
I can't
I don't need to be
I don't want be in love baby
take it back
take it way from me
take it way baby
I can't handle it
I don't want to be part of it

I can't believe that i am the last one
the last one the last one to know what
the hell is going on

I can't believe that im the last on to
know
say it ain't so
please
