People say I'm crazy  
For coming back home  
I've worked so hard for so long  
Now I'm tired of being alone

Feel like my voice is bleeding  
Screaming out no more  
But I gotta keep on pushing  
Till I'm flat out on the floor

### CHORUS

And life sometimes makes me angry  
Seems like no one understands me no  
It's a long road to where i'm going  
Turning back no, it ain't an option  
I put myself in this position  
Hear my nana say 'Love what you're given child'  
Love it child  
Love it child

?????????

I slowly put my wall up

t's lonely here behind it

But it's safer for us all

?????????

I think you would agree yeah

You all having bad days

Could I please have one too?

### CHORUS

Appreciate everything that comes your way  
Cause some things constantly change  
It's all gonna end one day  
Got to love what we're given  
Just don't waste your time  
Just keep pressing on  
Love what you're given, yeah  
Love it child

### CHORUS
