No woman no cry  
No woman no cry  
No woman no cry  
No woman no cry

Say, say,  
Say I remember when we used to sit  
In a government yard in Trenchtown  
Observing the hypocrites  
As they would mingle  
With the good people we meet  
Good friends we have  
Oh, good friends we lost  
Along the way  
In this great future,  
You can't forget your past  
So dry your tears, I seh

No woman no cry  
No woman no cry  
Little darling, don't she'd no tears  
No woman no cry

Say, Say  
Said I remember when we use to sit  
In the government yard in Trenchtown  
And then Georgie would make the fire lights  
I seh, log would burnin' through the nights  
Then we would cook cornmeal porridge  
Of which I'll share with you  
My feet is my only carriage  
And so I've got to push on through  
Oh, while I'm gone

Everything 's gonna be alright  
Everything 's gonna be alright

No woman no cry  
No woman no cry

I say little darlin'  
Don't she'd no tears

No woman no cry
