I only ment to love you
Didn?t you know it baby, didn?t you know it
Then why could you be contempt
With the love I gave

I gave you my heart
But you wanted my mind
Your love scares me to death boy
It?s the chokin kind, that?s all it is

Se you can kill a girl
With a bottle of poison or a knife, I know you can
It?ll hurt her more to take her pride
Then end her life

It?s a shame, it?s a shame boy
Whatever it is boy
I shurely hope you find

I tell you that Hat
Don?t fit my Head
It?s the chokin? kind
It makes me wanna

When you fall in love again boy, take in this for me
If you don?t like the Peach
Then walk on by the Tree
That?s what you better do honey

You?ll find what you want boy
Keep it, treat it sweet and kind
Let it breathe
Don?t go makin? it the chokin? kind

Don?t, don?t break my heart baby (Chokin? kind, that?s
all it is)
I know you love me truly, truly (Chokin? kind, that?s all
it is)
Really I do honey
But your love scares me to death boy (Chokin? kind,
that?s all it is)

It's the chokin kind, that's all it is, that's all it is
(Chokin' kind, that's all it is)
