Oh Oohh
Got me stoned
Stoned without your love
Baby, when I found out you were lying
Playing around and conniving
Undesired tears I was crying
Sugar-coated lines I was buying
I was just a back-seat driver
In a cold love
Going wherever you take me
Don't know why I put up with the pain
'Cause nobody else can make me
You got me stoned (stoned, out of my mind)
You got me going (stoned)
You got me going (stoned, out of my mind)
You got me going (stoned)
When you led me to the water, I drank it
Man, I drank more than I could take
When you took my mind and my body
I know you want to take my soul
Where can I run? (Where can I run now?)
Where can I hide? (Where can I hide?)
Tell me, who can I talk to? (Who can I talk to?)
Tell me, what can I do? (What can I do?)
You got me going (stoned, out of my mind)
You got me going (stoned)
You got me going (stoned, out of my mind)
You got me going (stoned)
I'm going out of my head, out of my mind
Out of my head, out of my mind
I'm going crazy
I'm going out of my head, out of my mind
Out of my head, out of my mind
I'm going crazy
Stoned, out of my mind (stoned)
You got me
Out of my head, out of my mind
I'm going crazy
Stoned, out of my mind (x4)
Stoned...
