Whenever I hear goodbyes
Remind me baby of you
I break down and cry
Next time I`ll be true, yeah
Fever for lost romance
Remind me baby of you
I took a crazy chance
Next time I`ll be true
I`ll be true
I`ll be true

Footsteps on the dance floor
Remind me baby of you

Teardrops in my eyes
Next time I`ll be true, yeah

Whispers in the powder room

She cries on every tune
Every tune
Every tune

And the music
Don`t feel like it did
When I felt it with you

Nothing that I do or feel ever feels like
I felt it with you

That I do or feel ever feels

When I`m dancin` around
Remind me baby of you
I really let you down
Next time I`ll be true, yeah
I took a crazy chance
She cries on every tune
Every tune
Every tune

Footsteps on the dance floor

Remind me baby of you
Teardrops in my eyes
Next time I`ll be true, yeah
Whispers in the powder room
She cries on every tune
Every tune
Every tune

And the music
Don`t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you

Hurting deep inside
She cries on every tune
I break down and cry
She cries on every tune
Every tune
Every tune

Footsteps on the dance floor
Remind me baby of you
Teardrops in my eyes
Next time I`ll be true, yeah
Whispers in the powder room
She cries on every tune

She cries on every tune
Every tune
Every tune

And the music
Don`t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you

And the music
Don`t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you

And the music
Don`t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you

And the music

Don` t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you

And the music
Don` t feel like it did
When I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
I felt it with you
I felt it with you
Nothing that I do or feel ever feels like
I felt it with you
I felt it with you
I felt it with you

Woh ooh oh ooh
Woh ooh oh ooh
Woh ooh oh ooh
Woh ooh oh ooh
