Hmm, yeah  
Oooh, hah

It's that time of year  
When I set gettin' sick  
Of all the cheer  
Every song you hear  
Was a hit or a miss  
From last century  
Is it just me?  
'Cos it never much seems like the movie  
(Like the movie)

So thank God  
(Thank God)  
Christmas comes once a year  
(Only comes once a year)  
Just once a year  
(Just once a year)

Only bells I hear  
Is last call, one and all  
Cryin' in their beer  
'Cos it's gon' take all year  
For the debts to be met  
So raise a glass for Christmas cheer  
It never snows, only rain  
I don't know why we're still dreamin'  
Of a white... Christmas

Thank God it only comes once a year  
(Only comes once a year)  
(Only comes once a year)  
Thank God it only comes once  
(Only comes once a year)

Mama's in the kitchen  
She's stressin', oh no  
The oven didn't work, hey  
Nothing's cookin', oh no  
Brother, sister are fightin'  
She's cryin'

Boxer knocks the tree down  
It makes me wanna shout

Hallelujah, thank God  
That Christmas only comes once a year  
Only comes once a year  
Thank You, Jesus, for being born only once  
I couldn't deal with it  
So Christmas only comes once a year  
Thank God, Hallelujah  
(Hallelujah)  
For Christmas only lastin' 24 hours of my life  
(Hallelujah)  
I tell you, Jesus, just this once  
As a baby anyway
