Kiss me each morning
For a million years

Hold me each evening
By your side

Tell me you love me
For a million, a million years

And then if it don't work out

And then if it don't work out

Then you can tell me
Goodbye

Sweeten my coffee
With a morning kiss

Soften my dreams
With your sigh

Tell me you love me
For a million, a million years

And then if it don't work out
And then if it don't work out
Then you can tell me
Goodbye

If you must go
I won't grieve
just wait a life-time before you leave
Please

then if you must go
I won't Tell you "no"
Just so we can say that we tried

Tell me you love me, for a million, just a million years

And then if it don't work out

and then if it don't work out
Then you can tell me goodbye
Then you can tell me... goodbye

You can tell me goodbye, goodbye
