Artist/Song name- Joss Stone- Tell me what we're  
gonna do now lyrics  
Yes, we have arrived  
Joss Stone  
Uh huh  
It's for the world world world world  
Uh

You don't have to make your mind up  
I just wanna take my time with you  
Yeah  
If that's alright  
It's alright it's alright  
Oh forgive me if I get to shy but  
Maybe you're the reason why  
I'm feelin' butterflies  
I feel it too  
Somethin' bout the look in your eyes  
Oooh it just makes me feel so right

Well you're my boy  
You're my joy  
You're my dream  
I'm for ya  
I adore your everything that I need  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
So tell me what we're gonna do now

Funny how my world keeps spinnin'  
Sometimes you can be so silly  
You know just how to make me laugh  
Yeah  
You're skin is so lovely  
When you touch me  
I know that you got my back  
Sure do, yes I do  
I feel so safe when you hold me  
It's like you know me

Well you're my boy  
You're my joy  
You're my dream  
I'm for ya  
I adore your everything that I need  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
So tell me what we're gonna do now

Oh right now  
See baby I love how you make me smile  
Don't leave  
Please stay awhile  
Let's make this happen  
I don't care how

Right now lets stay in the present  
Can't worry bout tomorrow cause today is a blessin  
The world in a state of aggression  
I find calm in you  
I see my mom in you  
It's like a feelin' in a niggas stomach  
When you want it so bad  
If you keep keepin' it fresh  
It ain't gonna go bad  
I been through the valley of love  
Rolled the shores of cali  
Just to find peace of mind  
Lookin' to the sky  
Askin' for at least a sign  
Beautiful you came at such a decent time  
When we combine  
It's like good food and wine  
Flavorful yet refined  
You remind me of the divine  
So easy  
Love can be lost and then found, like Stevie  
I just love havin' you around  
You wearin' a gown  
I'm wearin' a crown  
Pound for pound  
We the freshest couple in town

Well you're my boy  
You're my joy  
You're my dream  
I'm for ya  
I adore your everything that I need  
I love how you love me

If I'm made for you  
You're made for me  
It's too good to be  
Tell me what we're gonna do  
Tell me what we're gonna do now
